

EnviroSummit: Discussing Environmental Sciences (DES 2024)

Acceptance Letter

Dear author(s): Yingying Ma

Thanks for your contribution! We are pleased to inform you that your paper has passed the peer review, and has been accepted by EnviroSummit: Discussing Environmental Sciences (DES 2024)

Manuscript No.	DES-011
Author name(s)	Yingying Ma
Manuscript title	Advancing Disaster Management through Remote Sensing: Applications, Challenges, and Future Prospects

The EnviroSummit: Discussing Environmental Sciences awaits—an unparalleled opportunity for professionals to delve into the latest advancements, share insights, and redefine the future of Environmental Sciences. Connect with fellow visionaries, gain profound insights into cutting-edge research, and witness firsthand the profound impact of advancements in Environmental Sciences on our planet. It will be held on December 15, 2024.

All accepted papers will be published by Dean & Francis Press. The paper will be published in Science and Technology of Engineering, Chemistry and Environmental Protection journal (ISSN 2959-6157), with IEEE fellow as the editor in chief. The proceedings will be submitted to CPCI (subject to acceptance), DOAJ, ProQuest, CrossRef and other databases for review and indexing.

Notice for Registration

Dear author(s): Yingying Ma

Congratulations! Your manuscript has been accepted by EnviroSummit: Discussing Environmental Sciences (DES 2024). To proceed to publication, you need to check the following information and follow the guidelines for registration.

Manuscript No.	DES-011
Author name(s)	Yingying Ma
Manuscript title	Advancing Disaster Management through Remote Sensing: Applications, Challenges, and Future Prospects
Number of pages	7
Registration fee	4100 RMB in total

Charges: The registration fee is 3200 RMB/manuscript, and manuscript exceeding the prescribed number of pages (4 pages) will be charged an extra fee of 300 RMB/page.

Deadline: Authors need to complete registration and make payment in 7 business days.

Payment postscript: It's important to make a postscript for your payment. For example, "DES-011_name".
